

A submitted herewith.

Please amend the Specification in accordance with "marked up" copy of the Specification provided as Appendix B. A clean copy of the amendments made in the Specification is provided in accordance 37 C.F.R. 1.121(b)(1)(ii) as Appendix C.

Applicants respectfully submit that no new matter within the meaning of 35 U.S.C. §132 is added by the amendment.

#### **REMARKS**

Claims 1-48 are presently pending. No amendments have been made to the claims.

A paper copy of the computer readable format is enclosed herein in conformance with 37 C.F.R. §1.821-1.825.

A new computer readable copy is also enclosed. A summary report generated by Checker Version 3.1 verifies that no errors are present in the presently enclosed new computer readable copy.

Applicants hereby state that the sequence listings in the computer readable form are identical to the sequence listing in the application as required under 37 C.F.R. §1.821(f). Applicants also submit that no new matter is added by the computer readable form or by the paper copy of the computer readable form.

Accordingly, Applicants submit that the computer readable copy and paper copy of the sequence listings fully comply with 37 C.F.R. §1.821-1.825, and respectfully request that the Examiner withdraw the objections.

**CONCLUSION**

In view of the foregoing, Applicants respectfully request the Examiner to reconsider and withdraw the objection under 37 C.F.R. §1.821-1.825 and to examiner all claims pending in this application.

If the Examiner believes the application is not in compliance, Applicants respectfully request that the Examiner contact the undersigned attorney by telephone if it is believed that such contact will expedite the prosecution of the application.

Respectfully submitted,
